

Revival Outreach Ministries

VOLUME 3 ISSUE 2

APRIL-JUNE 2012

SPECIAL POINTS OF INTEREST:

- A new day is dawning in some of the darkest corners of the World...
- Every child in need is an opportunity to make a difference in this hurting community.
- Your gift of \$35 every month is enough to make a dramatic change in a life of a precious child!

INSIDE THIS ISSUE:

House Of Hope	2
Gardening	2
A Home for the Homeless	2
Ebenezer Christian Academy	3
Revival Conference	3
Appreciation	3
Prayer Requests	4

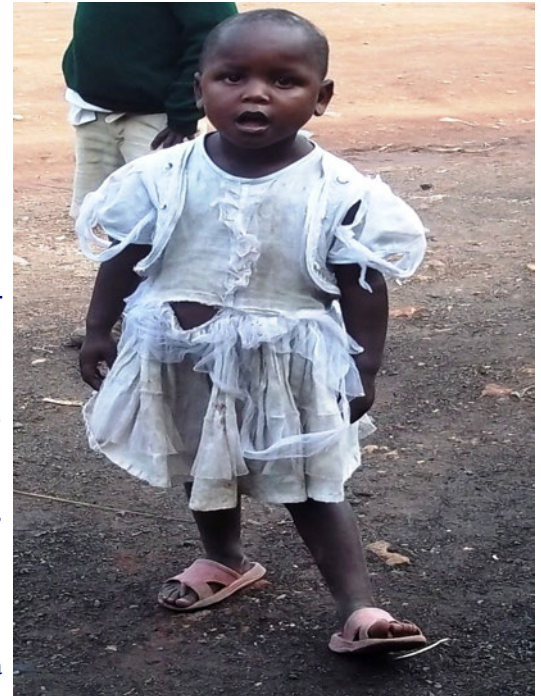

A Ray of Hope in the Midst of Darkness

When we came into this community, we were faced with a challenge of hopelessness. Many parents died of diseases like Malaria and AIDS leaving behind so many orphans without hope.

Living in very poor conditions, children resorted to go to the streets looking for food and they would end up being thieves and prostitutes. Girls would be taken advantage of by men promising them money and food. They would become pregnant, and many of them would become mothers at a very tender age. Therefore you would find a child nursing another child on top of taking care of her siblings. Many children do not go to school since there is no one to pay their school fees. Other children are forced into hard labor so they can get something to eat. With little or no feeding and unclean water, many children

started to die of diseases and hunger. And with no relative alive, some children became homeless. We started to pray that God will bring our way, people who can help us to meet the needs of this hurting community. It was hard to bear the sight of too many children moving around on the streets and garbage bins, naked and helpless, in search of food, love and shelter. Thank you all, friends, that have come in to be part of the solution. You have made a big difference in our community.

It is a joy to see hopeless and homeless children now having shelter, food and care.

Without formal education children will not be able to sustain a healthy life and would be reduced to beggars...

Making a Difference through Education

It gives so much joy to a child in our community to go to school.

Education develops the mind of a child to handle different challenges and be successful and effective in life

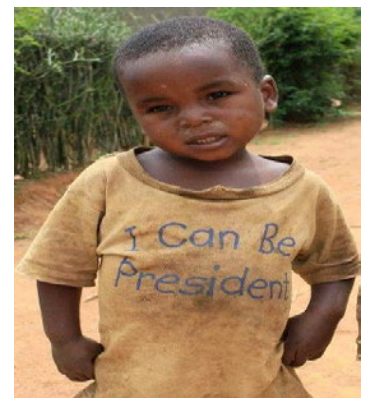

Revival Outreach Ministries has continued to offer such hope for orphans and poor children in Uganda to go to

school. \$35 a month is enough to make a dramatic change in the life of a precious child.

The money pays for school tuition, buys a uniform and shoes once every year, meets medical fees and lunch.

Thank you all sponsors for choosing to give to our children education. This means much to our children and to us.

It is exciting to see boys and girls who were once street children and beggars now in school.

Together we can help fulfill the dreams of these little children...

Kabale House of Hope Family

Kabale House of Hope Children's Home celebrated five years in April! We had a great time as we celebrated God's goodness and provision!

As we look back, we thank God for the great work done in the lives of each of the children we have in this family. We started with 16 children, but today we have 29 children in this children's

and physically as well as academically.

These children have big dreams.

What a joy to see former street children grow into good disciples of Jesus.

Hope is growing in the hearts of these children who never knew that such a thing existed.

It is so good to see a smile on the faces of all these children.

God has been so faithful to us. He has always provided in

time of need.

It now takes \$3000 every month to run this children home. We are so grateful to all our friends. You have made it possible for us to feed these children, clothe them, take them to hospital when they are sick and take them to school. Thank you for your love and support.

Thank you, friends, that supported us to pay the house rent this year. Our children were so scared of being chased out of the house, but they are now so happy.

Our children are so grateful for your love and support.

It means much for children to belong to Kabale HOH, where there is love, food, shelter and care...

Those with no voice, today have a voice! The suffering children tell their stories... as you listen to them, you share in their anguish and rejoice in their triumphs...

Growing Our Own Food

We are so excited about the opportunity of growing our own food. For a long time we have been praying about buying land and growing our food, which will make it much easier to feed our children.

We have grown potatoes this season, and we are preparing the remaining part of the land for beans, cassava and corn in the next growing season that starts in August.

Our plan is to grow enough food to feed our children at House of Hope and other needy children in the community. Then sell off the surplus food for money to meet some of other children's home needs. We need more land to be able to achieve our goal.

Each acres costs \$4000.

Our garden of potatoes...we plan to harvest by the end of August...

A Home for the Homeless...

Rita got pregnant at the age of 14, she has never seen her child's father again...

are the next generation leaders. We give special attention to vulnerable children,

Our mission for the ministry is to train leaders that will transform communities. We believe that children

especially orphans and homeless children.

Our dream is to take more children from the streets, give them love and shelter, and feed them and take them to school. We cannot do this alone. We need the support and prayers of our friends to help save a godly generation that will transform their community.

Without our support these children live a hopeless and difficult life.

Some children have ended up dying

on the street for lack of food and medicine. Girls end up having babies with irresponsible fathers who promise them help. Rita is one of such girls who became a victim and had a baby at the age of 14. Unfortunately Rita and her baby Precious got infected with AIDS. They both live in a small room, and our church has been helping to feed them. We plan to take Precious to House of Hope when she turns 4 years. We are praying that God will give her a sponsor so that we can take her to school and put her on AIDS medication. Precious is now 3 year old.

Ebenezer Christian School

Our children are happy to be part of this Christian school...

Education is very important to us and the children of our communi-

ty. However as a ministry we are so concerned about the education system used to teach our children. Our desire is to have our children attain education with a Christian perspective, so they can become godly leaders that will transform communities.

It is now five months since we started Ebenezer Christian Academy in our community. We have given opportunity to 60 children to have free education and the rest of 160 children are sponsored. We started with classes up to Grade 4. God has given us good and Christian teachers and staff dedi-

cated to raise a godly generation.

Our school has raised the standard in these few months, so much so that many children wanted to join our school at the start of the new school term in May, but we still have little room to accommodate the growing population.

Please pray for us for provisions. We need support to pay rent the teachers and staff.

“Train up a child in the way he should grow and when he grows, he will not depart from it...”

Kabale Revival Conference

Revival Outreach Ministries has continued to reach the villages with the Gospel of Salvation and many people in the village have given their lives to Jesus. We have now planted 60 churches in the villages. These people need teaching and discipleship to grow in the knowledge of the Word of God. We have therefore planned to have Revival Conferences every year in May and

invite all these people from different villages. We hold a week’s conference where we teach them the Word of God and pray for them.

This year’s conference from April 29th to May 6th was so powerful; many people were delivered from evil spirits, and over 1,000 people gave their lives to Jesus!

We pray that God will provide sound equipment and a vehicle to assist us to reach more people with the gospel.

Many people were delivered from evil spirits and thousands gave their lives to Jesus!!!

Thank You Friends!

We are so grateful to all of you dear friends that have made it possible for us to take our children to school and care for our orphans.

I still hear the words of Jesus in **Matthew 25:40** “For as much as you did this to one of the least of these... you did it to me”

Thank you friends for your consistent support to sponsor children to go to school. It means so much for our children to know that someone cares enough to take care of their education needs!!!

We appreciate all of our friends who give us additional support to help us run House of Hope children’s Home. Your support and gifts of love have made it possible to keep us going! Special appreciation goes to Daryl and Dee Dutter, Terry and Beth Torbett, Tina Dodson, Brian and Suzy Smith, Jon and Yvonne Valasek, Temple Baptist church and Word Harvest Church-North. Your support has helped us to pay house rent and continue feeding these children.

We are also grateful to the leadership of New Life Christian Church that helps us to handle finances

and administration. This has made it easy for our partners and sponsors to support us and help our children.

Last but not least, Margaret and I would like to say thank you to all of you dear friends that send support and gifts to help us as a family. We couldn’t do what we are doing without your love and support.

Friends, you have made it possible for us to reach our community and make a difference.

Thank you, all our friends, for making this dream a reality.

Revival Outreach Ministries purposes to touch our commu-
nity with the love of Jesus and transform it for God's glory.

Our main target group is children, especially orphans and
poor children. We educate children through our Child
Sponsorship Program and Ebenezer Christian Academy. We
also accommodate homeless children through Kabale
House of Hope.

Prayer Requests

- ◆ We still have a challenge of hundreds of children who have no opportunity to go to school.
 - It takes \$35 support per month for a child in primary school
 - It takes \$45 support per month, for a child in high school.
 - It takes \$150 support per month for a child in college.
- ◆ Many children still remain homeless. Pray with us that God will provide us with our own premises where we can accommodate more children.
- ◆ We need consistent support to run the operational costs of House of Hope Children's

Home.

-It takes \$3,000 per month for feeding, rent, utilities, clothes, medical care, scholastic materials and staff wages.

- ◆ We plan to buy more land to grow our own food for the children home. We need 5 more acres of land to meet our target, and

Pastor Johnson and Margaret have a heart for orphans and poor children.

each acres costs @ \$4,000.

- ◆ We need one more sweater weaving machines to achieve our goal of sustaining the home. @ \$6,000.
 - ◆ We have started a Christian school in our community.
- Please pray us for God's provisions:
- We need \$500 per month for rent.
 - We need \$200 per month to buy scholastic materials.
 - We need \$3000 per month to pay teachers and workers.
 - ◆ Pray that God will touch more people to join in to support our vision and transform our community.

We need your prayers and your support!

Your gift will make an impact in a child's life!
