VOLUME 4 ISSUE 1

JAN - MARCH 2013

## SPECIAL POINTS OF INTEREST:

- A new day is dawning in some of the darkest corners of the World...
- Every child in need is an opportunity to make a difference in this hurting community.
- Your gift of \$35 every month is enough to make a dramatic change in a life of a precious child!

## INSIDE THIS ISSUE:

- Hope at House of Hope... 2
- The best Christmas ever! 2
- House of Hope Anniversary... 2
- Ebenezer Christian Academy 3
- A great Season Harvest! 3
- A word from the Pastor 3
- Prayer Requests 4

## Together We are Making a Difference

Thank you friends for being a great part of the work God is doing in our community. Surely together, we have made a big difference.

We appreciate your love, support and every gift you give to us to help make a difference. Today more than 200 hundred children are given help to attain education. It is a good feeling to see the community that was filled with street children, poor children and orphans now filled with excited children going to school.

Thank you for helping us to feed the hungry children and taking care of homeless children, we now have 30 homeless children leaving with us at Kabale House of Hope.

Thank you for helping to give our children a wonderful Christmas! We appreciate all who contributed to give to our children a special meal for Christmas. Thank you so much! This meant a lot to our children, especially those living in the commu-

nity, only a few can afford to have a meal per day. Most of them take months before eating food like beef and rice. A soda is something very special to our children! It was fun to have over 200 children from the community come to have Christmas dinner with us! Thank you friends for making their Christmas so special.

After all the excitement and joy that comes with Christmas and other activities of the end of year holiday, it was time to go back to school. We had a good start of the new school year.

Thank you friends for helping us to take the gospel to those who need it most.

In case you want to know more about

**Our children enjoying Christmas dinner...it was such a great time of fellowship and fun...**

us and what God is doing in our community, please visit our website at:

[www.revivaloutreachministries.org](http://www.revivaloutreachministries.org)

You can also write to us at: [jba-kashaba@gmail.com](mailto:jba-kashaba@gmail.com)

## Hands for Christ...

What a blessing it is to join in where the Lord is at work!

It gives us satisfaction to be a blessing and help someone to be all that God made him to be!

It is a joy to see hopeless and homeless children now having shelter, food and care. It is exciting to see boys who were street children and beggars now in school.

God has called us to minister to these hurting children.

When we first came into this community, it was painful to see hungry children who have not eaten for days begging for food, many homeless children sleeping on the streets and hundreds of children with no opportunity to go to school. With your support friends, today our community is filled with joy and hope; many children are now going to school, homeless children now have a place to call home. We are helping a child at a time and making a difference. Thank you, friends, for making our dream a reality.

God bless you for your love and contin-

ued support for us to help as many children as the Lord guides us.

# House of Hope Children's Home Updates

Hope is growing in the hearts of children who never had hope...

House of Hope offers such an opportunity to groom desperate and destitute children into God fearing leaders that will transform communities!

What a joy to see former street children grow into good disciples of Jesus.

Hope is growing in the hearts of children who never knew that such a thing existed. "I still can't imagine how we used to cope up with life on the street" says John.

Thank you, friends, for your love and support. You have made it

possible for us to feed these children, clothe them, take them to the hospital when they are sick and take them to school.

Thank you First Baptist church, Dover for sending shoe box Christmas gifts to each one of these children. You made their Christmas special!

Today we have 30 children in Kabale House of Hope. It is amazing how these children have quickly grown into a family. They love one another, pray together and support each other as a family. Your gifts of love and prayers have made them what they are today.

Please pray for us. We need to raise \$2,400 by May to pay house rent so as to continue providing shelter to these children.

*Those with no voice, today have a voice! The suffering children tell their stories... as you listen to them, you share in their anguish and rejoice in their triumphs...*

## Christmas 2012

This last Christmas was one of a kind, one that our children will not forget soon. With most of our children's sponsors sending gifts to the children this made it more exciting. Almost all children this time received gifts. Thank you all sponsors that mailed special gifts for your children; it was exciting to see these children opening their mails with a lot of joy on their faces. Thank you all who sent

money to buy gifts for your children. It was fun to see the older children join in for shopping for shoes, dresses, goats, pants... each child would buy what would make him or her happy. You surely made their Christmas special! Thank you all who contributed towards lunch.

*Justus and Josephine...happy to receive their Christmas gifts from their sponsor*

## House of Hope Anniversary

The first day children came into House of Hope...we look back and say Thank you Lord...!

April 1st is a day our children at House of Hope will never forget; the day we started this amazing children's home. During the Easter weekend, child after child was sharing memory stories of what the Lord has done and where God got them from.

Listening to these stories, it was hard to keep back tears. But after the fellowship

we all joined in to praise and give thanks to God for his goodness and abundant mercies.

Our children now have hope for the future. Thank you all our friends that have helped us to run this children home.

Our children are hard working and love to make a contribution, they are always excited to work in the gardens. The older children have also started learning how to use the sweater machine, soon we will be

producing sweaters for sell and besides our children are learning a trade that will help them in future. We are very excited for the opportunity to be self-sustaining. We now enjoy our own food, and we look forward to start making money and being able to look after our children and many more in need. Pray for us, we need more land for farming to meet our need and goals to be self sustaining.

Thank you friends for being part of this great vision and making a difference in our community!

# Ebenezer Christian School Second Year...

***Our children are happy to be part of our Christian school...***

Thank you all our friends who helped us with funds to pay for rent, we are

now happily continuing to run our school.

This year we started Primary five (Grade 5). We thank God he has given us dedicated Christian teachers who are doing volunteer work for the biggest part.

It gives so much joy to a child in our community to go to school. Education develops the mind of a child to handle different challenges and be successful and effective in life. It is therefore important to educate a child in Uganda.

Revival Outreach Ministries offers hope for orphans and poor children in Uganda to go to school with a Christian perspec-

tive. Our goal is to produce godly future leaders who will bring about a change in our nation and communities.

\$35 a month is enough to make a dramatic change in the life of a precious child.

This money pays for school tuition, buys a school uniform and shoes once every year, meets medical fees and buys lunch.

Pray for us for provisions to continue to pay rent, the teachers and staff and buy school supplies.

Our dream is to buy land and build our own structures in the near future.

***“Train up a child in the way he should go, and when he is old, he will not depart from it” (Prov. 22:6)***

## Gardening— A great Harvest...

This last season was the best ever. We were able to make a good harvest despite the heavy rains at the start of the season. We harvested corn that fed our children for several weeks. Our children love eating corn on the cob. We also harvested three sacks of beans (100kgs). With the escalating food prices, this has helped us to continue feeding our children with ease. We have also harvested ten sacks of potatoes (each is also 100kgs). When our children came for the

short Easter holiday, they said one of the things they were looking forward to was eating chips (French fries). We plan to harvest cassava sometime in July, it takes longer than other crops.

We are working on our garden again for the May planting season. We will plant more beans and potatoes.

We pray that God will provide more land so we can make a farm where we can grow more crops like bananas, fruits and vegetables.

**Thank God for the great harvest this last season...**

### A Word from the Pastor

We are so grateful to all of you dear friends that have made it possible for us to take our children to school and care for our orphans.

I still hear the words of Jesus from Matthew 25:40 “For as much as you did this to one of the least of these... you did it to me.”

Thank you, friends, for your consistent support to sponsor children

to go to school. It means so much for our children to know that someone cares enough to take care of their educational needs!!!

We appreciate you, all our friends who give us additional support to help us run House of Hope Children’s home. Your support and gifts of love have made it possible to keep us going! Our children have food every day, and we clothe them and take care of most of their needs.

We are also grateful for all sponsors that sent gifts for your children. Thank you First Baptist church, Dover for sending shoe box Christmas gifts to House of Hope. Gifts speak volumes to children; it shows how much they are loved.

Last but not least, Margaret and I would like to say thank you to all of you dear friends that send support and gifts to help us as a family. We couldn’t do what we are doing without your love and support.

May God richly bless you!

## Revival Outreach Ministries

**Reaching the Unreached and Making a Difference!**

Revival Outreach Ministries

P.O. Box 1065

Kabale Uganda

In partnership with:

**New Life Christian Church, California.**

Phone: +256-772-564449 (Uganda)

E-mail: [jbakashaba@gmail.com](mailto:jbakashaba@gmail.com)

## Prayer Requests

- ◆ We still have a challenge of hundreds of children who have no opportunity to go to school.
  - It takes \$35 support per month for a child in primary school.
  - It takes \$45 support per month, for a child in high school.
  - It takes \$150 support per month for a child in college.
- ◆ We need to pay house rent for the children's home for this year by May, Please pray for us and support us. We need \$2,400.
- ◆ We need consistent support to run the operational costs of House of Hope Children's Home.

-It takes \$2,500 per month for feeding, rent, utilities, clothes, medical care, scholastic materials and staff wages.

- ◆ We plan to buy more land to grow our own food for the children's home. We need 4 acres of land to meet our target, and each acre costs @ \$4,000.

**Pastor Johnson and Margaret have a heart for orphans and poor children.**

- ◆ We need 2 more sweater weaving machines to achieve our goal of sustaining the home. @ \$6,000.
- ◆ Pray for Ebenezer Christian Academy for God's provisions:
  - We need \$500 per month for rent.
  - We need \$200 per month to buy scholastic materials.
  - We need \$3,000 per month to pay teachers and workers.
  - We need \$20,000 to buy land for the school building.

We need your prayers and your support!

Your gift will help make an impact in a child's life!
