

Revival Outreach Ministries

VOLUME 2014 ISSUE 1

JAN - MARCH 2014

SPECIAL POINTS OF INTEREST:

- A new day is dawning in some of the darkest corners of the World...
- Every child in need is an opportunity to make a difference in this hurting community.
- "For as much you did to the least of these...you did it to me" Matthew 25:40)

INSIDE THIS ISSUE:

- House Of Hope Christmas... 2
- A great Harvest! 2
- Sweater making progress. 2
- A New Home for Ebenezer... 3
- A Sponsor's view 3
- Appreciation 3
- Prayer Requests 4

Transforming the Community

It is amazing to see the great work God has done in our community in Kabale, Uganda in the last few years.

After hundreds of parents in our community died of diseases like AIDS and Malaria, they left behind so many children who need help.

Hundreds of children loiter the streets in search of survival. You find them fighting for food in garbage bins. Young boys some times become thieves to survive, girls on the other hand sometimes become prostitutes because men promise them money and food in exchange for sex. These children normally would become single mothers at an early age. And the children they raise with no responsible fathers in turn go to the streets, because they cannot afford money to go to school and cannot look after their babies.

This cycle continued.

As a church we felt God called us to

minister to these hurting children.

We started to pick these children from the streets and eventually began a children's home for the homeless children.

We started to take these children to school because we believe that education unlocks a child's potential and God given abilities to make him successful in life.

Touching and changing the lives of these children through education is a step to stop the cycle and transform our community and as a result impact the next generation.

It gives so much joy to a child in our community to go to school.

Today, some of the children we started with, have graduated from school and have jobs.

With your support friends we are giving

Without formal education children will not be able to sustain a healthy life and would be reduced to beggars and street children...

education and food to over 200 children.

There are many children in this community who still need help. Together we can make a difference. As we support these children one child at a time.

Preparing Future Generation Leaders

Children with no formal education are reduced to beggars, street children, prostitutes, drug addicts and thieves with no hope in life.

Educated Children on the other hand are able to get a job or are in a better shape to earn a living and take care of themselves and their siblings.

Education develops the mind of a child to handle different challenges and be successful and effective in life.

It is therefore important to educate a child in Uganda. Revival Outreach Ministries offers such hope for orphans and poor children in Uganda to go to school.

\$35 a month is enough to make a dramatic change in the life of a precious child.

This money pays for school tuition, buys school uniform and shoes once every year, meets medical fees and buys lunch.

Thank you all our new sponsors for

choosing to sponsor our children and give them education. This means much to us and our children.

House of Hope Christmas Dinner...

Hope is growing in the hearts of children who never had hope...

House of Hope offers such an opportunity to groom desperate and destitute children into God fearing leaders that will transform communities!

Thank you all our wonderful friends that supported us to give our children a great time during Christmas! We fed over 200 children with a nice meal on Christmas.

Most of the children in the community cannot afford a good meal. To many children this is the only time they eat beef and drink a soda (coke). One boy said, "I wish every day was Christmas...!" This is one day children always look forward to because

they know their sponsors will send them gifts, and they will go shopping for nice clothes and eat a good meal on Christmas Day.

On a special note I want to thank all friends who contributed towards the dinner and all sponsors who sent children a Christmas gift. Thank you all who sent pictures and a card! These things mean a lot to our children.

Thank you Calvary Chapel of Blue Ridge for sending the Christmas gift packages for

House of Hope children. The children were very excited as they unwrapped their gifts. You surely made their Christmas both fun and enjoyable! Thank you friends for being part of what God is doing in this community..

Those with no voice, today have a voice! The suffering children tell their stories... as you listen to them, you share in their anguish and rejoice in their triumphs...

A Great Harvest!

At the close of last year, we celebrated the biggest harvest since we started gardening.

Last year, we planted cassava, corn, and beans. Our gardens yielded a great harvest. We harvested three bags of beans that will help feed our children for the next three months. We are planning to make maize flour for food out of the corn we harvested.

Thank you friends for prayers and support.

Our plan is to grow more food like banana and vegetables to feed our children at House of Hope, Ebenezer School and other needy children in the community. We need 4 more acres of land to be able to achieve our goal. Each acre costs \$4000.

Enjoying a Great Harvest...

Going Self-sustaining!!!

Our children can't wait to learn how to operate the sweater weaving machine...!

our children and many more in need.

The children are excited about the self sustaining project opportunity that can help us to make money and be able to look after

With the sweater machine, we have been able to make 100 sweaters for Ebenezer Christian Academy. Our children are excited to learn how to operate this machine and help during holidays.

Grace, the girl that runs it, is willing to train our children at House of Hope how to run this machine, and the children will start making sweaters for sale. We already have a ready market in some of the schools in Kabale. We have also

talked with some business people in Kampala, and they are willing to buy our sweaters! This is exciting! When we get established, we plan to teach this skill to all the children, so that we can employ some of the children who show interest after school.

We need two more machines to achieve our goal. Each machine costs \$6000.

Thank you friends for making a difference in our community!

Thank you for being part of this great vision!

Ebenezer Christian School

started Primary Six. As we thought of the growth, we realized that the building we were renting was becoming smaller for our growing population. As we prayed about it, some one rented us his piece of land for \$150 per month only. This sounded easier and cheaper.

A new Home for Ebenezer Christian Academy...

Ebenezer Christian school is growing every year. This year we have

With your support friends, we have been able to construct a six classroom building on this property that has now become home for Ebenezer Christian Academy. Starting with this year we shifted to this new building.

You should have seen the joy and excitement of the faces of these children as they run around the compound. One child said, "At last this feels like a school!" This new place has ample space.

We now have an enrollment of 250 children. Thank you friends for your love and support.

We pray for provision to construct another building by the end of the year. Thank you friends for being part of this.

"Train up a child in the way he should grow and when he grows, he will not depart from it..."

A Sponsor's view

What a privilege it is to sponsor a child at Revival Outreach Ministries!

We have been sponsoring Ronald Muhangi, and I can testify that this has been a real blessing! We first met Ronald in 2007 when Pastor Johnson dedicated the House of Hope. We fell in love with Ronald and these precious children living in that home. Then when Ronald was ready for Uganda Christian University, we began sponsoring him. He has progressed well, and will be

completing his education in another year. We are very proud of him and are so thankful that we have been able to support his education and make a difference in his life. We also have the privilege of sponsoring one of Pastor Johnson's daughters, Patricia Blessing! We look forward to visiting Patricia and the House of Hope in July to see how God is blessing! We are thankful for the opportunity to join Pastor Johnson in sharing the gospel of Jesus Christ and giving hope to the children of Kabale.

Jon & Yvonne.

Jon and Yvonne Valasek are very supportive to transform our community

Appreciation!

We are so grateful to all of you dear friends that have made it possible for us to touch our community with the love of Jesus...

I still hear the words of Jesus from Matthew 25:40 "For as much as you did this to one of the least of these... you did it to me"

Thank you friends for your consistent support to sponsor our children to

go to school. It means so much for our children to know that someone cares enough to take care of their education needs!!!

We appreciate you, all our friends who give us additional support to help us run House of Hope Children's Home. Your support and gifts of love have made it possible to keep us going! Thank all children sponsors that sent gifts for your children.

We appreciate New Life Christian Church leadership that has done our administration for the last four years.

Thank you Engage Hope Ministries for accepting to take over administration for our Child Sponsorship program starting with this year. We pray for a smooth transition.

World Harvest Church-North, thank you for accepting our request to handle administration for regular funding of other ministry projects.

Your gift of \$35 every month is enough to make a dramatic change in a life of a precious child!

Revival Outreach Ministries purposes to touch our community with the love of Jesus and transform it for God's glory.

Our main target group is children, especially orphans and poor children. We educate children through our Child Sponsorship Program. Ebenezer Christian Academy offers free education to poor children. We accommodate homeless children through Kabale House of Hope.

Prayer Requests

- ◆ We still have a challenge of hundreds of children who have no opportunity to go to school.
 - It takes \$35 support per month for a child in primary school
 - It takes \$45 support per month, for a child in high school.
 - It takes \$150 support per month for a child in college.
- ◆ We need to raise \$8000 to construct another classroom building for Ebenezer Christian Academy.
- ◆ We need consistent support to run the operational costs of House of Hope Children Home.
 - It takes \$2500 per month,

for: feeding, rent, utilities, clothes, medical care, scholastic materials and staff wages.

- ◆ We plan to buy more land to grow our own food for the children's home. We need 4 more acres of land to meet our target, and each acre costs @ \$4000.

Pastor Johnson and Margaret have a heart for orphans and poor children.

- ◆ We need 2 more sweater weaving machines to achieve our goal of sustaining the home. @ \$6000.
- ◆ We need support to run Ebenezer Christian school consistently:
 - We need \$150 per month for rent.
 - We need \$200 per month to buy scholastic materials.
 - We need \$3000 per month to pay teachers and workers.
- ◆ Pray that God will touch more people to join in to support our vision and transform our community.
- ◆ Pray for our children that they will grow in the grace of God.

We need your prayers and your support!

Your gift will make an impact in a child's life!
