

# Revival Outreach Ministries

**Engage Hope Summer trip**  
 "A team of 15 people helped train Ebenezer

teachers and win souls through mercy ministry village outreach". "They gave HOH a facelift, and it now looks great".

They also loved on our children at HOH and Ebenezer teaching them the Bible. Our village was transformed.

## Revival Outreach Ministries at 20!

It has been 20 years of touching the Community with the love and power of Christ!

In July, we celebrated 20 years as a ministry. It was a moment of joy as we remembered the great things God has done in the last 20 years. All we can say is that it has been God. "The crime rate has gone down since this church started in this community," said the Local government leaders. When we started Revival Outreach Ministries, the community was very, very poor. Many parents had died of diseases like AIDs and Malaria. 50% of the population was just children loitering the streets in search of food, love and shelter. We purposed to touch the

### REVIVAL TABERNACLE

Worshipping Jesus. Discipling and training leaders. Reaching the Unreached

2

### CHILD SPONSORSHIP

With \$35 per month, you can make a dramatic change in a life of a precious child

3

### MISSION TRIPS

An opportunity with Engage Hope to reach out with the love of Jesus to our village

community with the love of Jesus and as a result started Kabale House of Hope to give home to homeless children. Revival Tabernacle church has changed lives through prayer and the gospel. We started Ebenezer

Christian Academy to educate children with life transforming Christian

education. Today over 20 students have graduated through our education programs. Most of these have their own ministries like Dr. Emma Babi with Passion Christian Ministries, Joseph Arineitwe with TEMO and Sam Tindimwebwa with EDIFICE. We look forward to touch more lives with the love, gospel and power of Jesus as we raise and train leaders that will transform communities.

## Ebenezer Christian Academy

Education is the key to breaking the cycle of hopelessness in Uganda

No child in Uganda can advance economically without an education. It is the key to breaking the cycle of hopelessness so many children

become victims of because they are either orphaned or too poor to afford education. This is where you have an opportunity to effect change and make a difference!

### LAND FOR EBENEZER SCHOOL

After a long season of prayer, Ebenezer Christian Academy has now bought land that will become home to this amazing school that has become the beacon of hope for our community. Thank you Engage Hope for supporting us to buy this land for the school. Plans are underway to embark on constructing the school which we shall do in three phases.

Phase One will be constructing the primary school building P1- P7 plus the kitchen.

Phase two will be constructing kindergarten classrooms plus staff rooms and offices.

Phase three will be constructing dormitories for boys and girls. Each phase is estimated to cost \$150,000.00.

As for now, we are focused on moving to our land. No more renting! We need help at the end of this year to move the classrooms and build the temporary kitchen, offices and library. This will cost \$20,000.

*“In as much as you did it to the least of these... you did it to me.” (Matt 25:40)*

Revival Outreach Ministries through Ebenezer Christian Academy offers quality Christian education to train, prepare and equip children into leaders who will transform communities.

**THOSE WITH NO VOICE, TODAY HAVE A VOICE! THE SUFFERING CHILDREN TELL THEIR STORIES... AS YOU LISTEN TO THEM, YOU SHARE IN THEIR ANGUISH AND REJOICE IN THEIR TRIUMPHS...**

## HOUSE OF HOPE CHILDREN HOME

Kabale House of Hope children home has continued to offer hope to homeless and hopeless children. It is today home of 35 children.

50% of Uganda's population are children and youth under the age of 15. Many children are orphaned and homeless. It is our joy to give such children a place to call home where they can be given food, beds, hope and love as we disciple them in the word of God.

We had a House of Hope fun day during the holidays where children learned a lot. It was a time of discipleship, training, counseling and mentorship.

Our children have now returned to school for the final and last term of this year.

## REVIVAL CONFERENCE 2017

Thousands attended our annual Revival Explosion Conference in May. Hundreds gave their lives to Jesus. Many received deliverance from powers of darkness. More disciples were made for Jesus. The kingdom of God is advancing!!!
