

Making a Difference

Together, we can make a difference in this hurting village as we reach out one child at a time. Education helps to:

- ▶ Develop the mind of the child to handle different challenges in life.
- ▶ Give children an opportunity to develop mentally so that they can be successful and effective in life.

Never stop doing **little things** for others. Sometimes those little things occupy the **biggest part** of their hearts.

"In as much as you did it to the least of these... you did it to me."

(Matt 25:40)

How You Can Help

PRAY We need prayer partners that will commit to praying for us on a regular basis.

SPONSOR A CHILD For \$40 a month, you can give a child food, clothing and a Christian education that will give them a hope and a future.

SUPPORT HOUSE OF HOPE This orphanage is the only home that dozens of the children will ever know. Help us meet our monthly budget to feed, shelter, clothe and disciple these future world-changers.

HOUSE of HOPE

CHILDREN'S HOME

Our Vision:

Making a difference as we transform our community and the communities around us.

Our Mission:

Our goal is to train and equip future generation leaders through education, childcare and evangelism.

- ▶ 50% of the population of Uganda is under the age of 15. Most of these children are orphans whose parents died of diseases like AIDS and Malaria while others died of wars.
- ▶ God has called us to minister to these hurting children and help them to be what God created them to be.
- ▶ It is our joy to give these children hope for the future.

Together, we can make a difference!

A Home for the homeless

Hundreds of children loiter the streets of Kabale in search for love, care, food and shelter. Many parents in this community died of AIDS and malaria leaving behind helpless orphans.

House of Hope offers an opportunity to provide a place to call home to needy and homeless children. House of Hope has become home for 35 children.

Our needs:

- ▶ Soccer balls, basketballs
- ▶ Beddings, clothes, towels
- ▶ \$12,120 per month for operational costs for food, rent, utilities, medicine, school supplies, clothes, and more..
- ▶ \$12,000 to purchase land to grow vegetables and bananas.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and give you hope and a future." Jer. 29:11

It is important to educate a child in Uganda. Many children do not have the opportunity to attend school and receive a proper education. Without a formal education, most of these children will not be able to sustain a healthy life and would be reduced to beggars, street children, prostitutes, drug addicts and thieves with no other hope.

Ebenezer Christian Academy offers education with a Christian perspective with a goal to prepare a future generation of godly leaders that will help to transform our communities.

Our needs:

- ▶ \$40 per month to sponsor a child for education, this pays for lunch, medicine and school supplies
- ▶ \$100 per month to sponsor a teacher
- ▶ Computers and books
- ▶ Bibles
